## FROM THE PRESIDENT...

*Spring/Summer 2013*

Our Association has given much support to Page this year. Financially, we

- Supported *Page Cares*, a group that discreetly helps students in need of meals, clothing, school supplies, etc.
- Gave \$1,100 for the Shop/Electrical Classes to build displays for the IB/AP/Honors Art Exhibit
- Gave \$5,000 for purchase of new Media Center materials to combine with \$6,000 given by parents and alumni
- Donated for breakfast items for students coming in for Wednesday morning peer tutoring
- Donated for breakfast items for three end-of-year "Saturday School" morning tutoring sessions, which reached over 200 students (tutoring on a volunteer basis by teachers and students)
- Replaced a flat screen TV in the auditorium lobby
- Purchased five outdoor RED square metal picnic tables
- Purchased a new camera for the Yearbook staff
- Donated to an Eagle Scout landscape project
- Donated to the hard copy end-of-year edition of *Pages by Page*
- Granted five scholarships
- Printed and mailed two newsletters
- Have helped in many other ways that are not financial

We are able to do this through hard work and your donations! If you are listed on pages 8 and 9, THANK YOU!

It's time to renew your membership for the 2013-14 year. Below are those who have already renewed. If your name's not here, please send in your membership form or pay through PayPal at [www.pagealumniandfriends.com](http://www.pagealumniandfriends.com). Be a faithful Pirate, proud of the past and proud to help the Pirate Pride tradition continue!

## FROM THE PRINCIPAL

As we begin the 2013-2014 school year, I would first like to take a moment to reflect on my first year as a Page Pirate. Joining the Page family has been extremely rewarding; the school year started off with excitement and anticipation. We quickly captured all the enthusiasm and focused it on academics and excellence in all we do.

Teachers found exciting and engaging ways to involve students while introducing *Common Core*, our state's new curriculum. We established and implemented some new programs and ideas to enhance our instructional day, such as our new Late-Start Wednesdays, which were a success with students and teachers. Students enjoyed the extra time to sleep in, while teachers used the extra time to plan and analyze data. In June our annual commencement exercise showed the community the pride of our school as we graduated one of the largest classes in Page History with scholarship offers increasing for the sixth consecutive year. Our school was also ranked #4 in our state by *US News*. I personally want to thank all the Pirates in our alumni community for contributing to this great success.

On the extracurricular scene, our sports teams did well and continue to make us all proud to say, "*We are Pirates!*" Playmakers kept us all laughing with their wonderful performances of *Legally Blonde*. Our band, chorus, and orchestra held concerts that astounded us all. As a veteran Pirate this year, I am even more proud of the pride and history our school represents. I am confident that our upcoming year will bring us more accolades as we strive for excellence in all we do.

Pirate Family, as we move towards our upcoming year we are working on new endeavors to improve our school's academics, climate, and culture. We are establishing *Page Nonnegotiables* with the intention of increasing the rigor and closing the achievement gaps we currently face. These nonnegotiables are geared toward increasing accountability and student achievement. Our school culture and climate are some of the things we are extremely proud of and want to continue to enhance. We are starting a new tutoring program for our athletes, finding new and meaningful ways to say thank you to our teachers, and working on furnishing our new conference and tutoring space.

Page Alumni and Friends, thank you for all you do. I look forward to seeing and working with you this year. Go Pirates!!!

*Patrice Faison, Page Principal*

## NEW PAGE ENDEAVORS

Your Page Alumni and Friends Association supports Page in the *Page Nonnegotiables* by adding a donation line on the membership form, "New Page Endeavors," for those who want their donations directed there. You can be assured that these funds will be directly used to enhance our school in an effort to continue to make you proud to say you are Page alumni. "New Endeavor" funds may be used for tutoring programs, Late-Start Wednesdays, student advisory organizations, student and teacher incentives, and other ideas to increase the academic achievement, educational climate, and culture of excellence at Page.

**LINK TO HARRIS TEETER #1861**  
We invite all Harris Teeter shoppers to link your VIC # to Page High School by signing up as you check out or by sending us your Harris Teeter number (and we'll do it for you!). Already linked to another? You may link to as many as five. It costs you nothing but sends a percentage of your HT brands sales to Page.

Page is in the process of furnishing a conference/tutoring room. If you have a conference table and/or chairs that you'd care to donate, please let us know.

**KNOW SOMETHING NEWSWORTHY?**

## PAGE ALUMNI AND FRIENDS BENEFIT THE MEDIA CENTER

Jennifer Kunka

With funding for schools at a critically low level, we knew we had to do something to upgrade materials in our Media Center. When compared with *IMPACT: Guidelines for NC Media and Technology Programs*, the average age of our books was high and the average number of books per student was low. Since our weaker areas were in the sciences and history/geography, we decided to put our main focus on those areas.

In January, we asked the Page Alumni and Friends Association if they could help with funding. They generously agreed to match funds of up to \$5,000 that were raised specifically for Media Center Materials. The Association put out the word, and parents, alumni, and friends came through with \$6,000. This total – along with the matching \$5,000 from PAFA – gave us \$11,000 to make some serious improvements!

We were very purposeful, not only in our choices of books but also with our choices of format. With the PAFA donation, we

were able to receive 267 print titles and 56 ebooks. We chose to purchase many books that would normally be reference materials as ebooks so that students would have access to them everywhere. Some of those titles were available as *unlimited purchases*, meaning that multiple students can view them at once. We purchased titles as unlimited purchases, when able, so that whole classes might use them simultaneously.

We are very grateful to the PAFA, not only for this recent financial support, but also for making a difference at Page in so many ways!

Sally DeLellis and Jennifer Kunka, Page Media Specialists

### Special Thanks

Media Specialist Jennifer Kunka thanks Knox and Dan Barker for their donation of 20 years of sleeved National Geographic magazines to the Page Media Center.

## 8TH ANNUAL RIVALRY REUNION GOLF TOURNAMENT

The 8<sup>th</sup> Annual Rivalry Reunion Golf Tournament between PAGE and GRIMSLEY is October 18<sup>th</sup>, the same day as the BIG FRIDAY NIGHT FOOTBALL game between Page and Grimsley. In the seven previous tournaments, we have filled the courses of Bryan Park with 288 golfers, all there in fun and to help support both schools. Last year each school received \$11,000 from this golf tournament, and this year we are hoping for over \$12,000 each.

Signing up is easy – for your foursome or individually – through the web site: <http://www.pagegrimsleygolf.com>. Cost is \$90 per person, with lunch and range balls provided. Everyone also receives a free T-shirt, donated by John Lomax and Lomax Construction.

This year we will be holding a raffle for prizes that value \$100 or more, so if you, your company, or a resource you know can provide additional items we would be very grateful. We encourage your company to become a Gold Sponsor for \$750. At this Gold level, you are allowed four golfers, a full hole sponsorship, a banner listing, and a link to your company's web site on our web site. Other sponsorships include a tee or green sponsor for \$125, or sponsorship of an entire hole for \$175.

Please take a moment to sign up ASAP. You can select your starting hole and encourage your friends to sign up in the open spaces around you. Our schools benefit from your support as you participate in this lively event. Good golfers are welcomed, but numbers are just as important in bringing home the trophy! But the most important byproduct of this event is the camaraderie and the support of two Greensboro flagship high schools!

## PAGE ALUMNI AND FRIENDS SCHOLARSHIP RECIPIENTS

Again this year, there were many worthy scholarship applicants for the five Page Alumni and Friends Scholarships. This from one of the Scholarship Committee members: "I would like for it to be known that I think all of the candidates were exceptional. What I do know is that our nation is in great hands with our youth of today. It was an honor to witness such strength and character of each participant."

### MASON BILLINGS

I am very grateful to have received this scholarship, and I have a lot of gratitude towards the Page Alumni and Friends as well as Page High School itself. It is especially meaningful for me because both of my parents went to Page, and enjoyed their time there, and I simply tried to do the same. Next year I will be attending and playing soccer at Washington and Lee University where I plan to pursue a Pre-Medicine major. Looking back on Page there are many great memories, but the one thing I will truly miss is getting together with all my friends and classmates on Friday nights, tailgating and enjoying football games. I will especially miss beating our rival Grimsley, as we managed to do so all four of my years at Page. Over the past 4 years Page has made a significant mark on me, and because of this, I plan on joining the Page Alumni and Friends. Your contributions made to Page over the past four years have been extremely appreciated by everyone at school, and will continue to be appreciated for many years to come. Go Pirates!

*Mason is grateful for all of the opportunities Page has given him and has been described as a very successful student with a great heart and a great sense of humor. He is the son of Jeanette and Harold Billings, Jr.*

### SUN H

The summer of 2002 was when my family and other Montagnard families arrived in Greensboro, North Carolina. We were refugees from Vietnam, leaving due persecutions, like our Christian belief. We had hope and belief that we could have a better life and ran with it. June 2002 was a time of adjustment and learning. Likewise, the summer of 2013 is a similar time for me as I prepare to head off to the University of North Carolina at Wilmington for college. I will be leaving home for the first time and will be exposed to a new city and new people.

College was never something that was planned in my family. However, attending Page High School for four years has really opened my eyes to furthering my education. The teachers, counselors, and students at Page have always been supportive. It was great to be in an environment where the focus was not only education but also bettering the students so that they can be prepared for the future. I was exposed to many advanced courses and clubs that allowed me to challenge myself and make long-lasting friendships. I am and will always be eternally grateful for what Page has done for me by leading me to college.

Attending the Alumni and Friends meeting was an awe-inspiring experience. Listening to some of the things that the Alumni committee is doing for Page just makes me proud and appreciative to be a Pirate! I am grateful for the Page Alumni and Friends Scholarship. One day, I hope to be a member of the committee and contribute to improving Page as all of the alumni are doing.

*Sun credits Page with giving her the education and confidence she has and is the first in her family to attend college. She is the daughter of Piong H and Tam Y.*

### STEPHEN LONG

Looking back over the past four years, I can confidently say that there is no other high school in the country that could have prepared and given me the same experiences that Walter Hines Page High School has. From screaming "Red Death" and winning multiple state championships to being ranking in the top ten public high schools in the state, Page has truly encompassed every aspect of what an ideal learning environment is. My favorite part of being selected as a recipient of this scholarship is that this organization focuses on giving back to the place that we came from. As I continue my education next year at the University of North Carolina at Chapel Hill, I know that I will always be able to appreciate those that have helped me from the beginning. When the time comes, I understand that it is my duty to give back and help my community in the same way it has helped me.

*Stephen combined involvement in sports, activities, and the Page community while earning status as Salutatorian for the Class of 2013. He is the son of Colleen and Glen Long.*

(Continued from page 4)

**BENNETT SARDZINSKI**

I am thrilled to have been chosen to receive the 2013 Page High School Alumni and Friends Scholarship. I plan to put this scholarship – and your investment – to good use while attending the University of North Carolina at Chapel Hill next year. It will be difficult to leave Page, and I will miss many of my friends and teachers who have helped make the journey so much fun. But I am excited at the prospect and look forward to the challenge of attending UNC, using the tools that my experience at Page High School has given. It will be an honor and privilege to uphold the name and reputation of Page High School. I am glad to be able to take with me my many memories and lessons learned from my time here. Thank you for honoring me with this award and welcoming me into the group of Page High School Alumni.

*Bennett, an excellent student and a great example to his peers, says Page has helped him become a confident and effective leader. He is the son of Leslie and Greg Sardzinski.*

**ALEXIS SCULLY**

Receiving this award is a great honor, and it will definitely be put to good use in my study of public health and Spanish as I attend the University of North Carolina at Chapel Hill in the fall. My past four years at Page have been great, and the Page community has given me innumerable opportunities. I really appreciate the Page Alumni and Friends Association for their part in various projects, including the new picnic tables outside and the study lounge in the library. I look forward to being a part of the Alumni Association in the years to come so I may pass along what has been done for me.

*Alexis is an amazing student, a great athlete, and a dedicated member of the Page community, and she credits Page with giving her unlimited opportunity. She is the daughter of Cary Hart and Patrick Scully.*

*The Page Alumni and Friends Scholarship Committee*

**ANNE BENNETT OSTEEN RECEIVES THE MOREHEAD-CAIN SCHOLARSHIP**

Senior Anne Bennett Osteen was offered both the Morehead-Cain Scholarship to UNC-CH and the Trinity Scholarship to Duke University, but Chapel Hill won her over in the end. Athletically and academically, Anne Bennett has taken advantage of the many opportunities at Page. Among her many accomplishments were being captain of the golf team, co-editor-in-chief of Pages by Page, and serving on the student council. Anne Bennett is the daughter of Page alumni Elizabeth and Bill Osteen.

Page High School is a special school filled with incredible people. The rich diversity of activities and people coupled with the supportive faculty make it a place of boundless opportunity. I am so lucky that I have had a fulfilling high school experience that I can use as a springboard into my career at UNC- Chapel Hill.

I feel strongly that there is no such a thing as a wholly individual endeavor. That being said, the Page community has had a strong presence in my life, especially throughout the past year. The counseling department, my coaches, teachers, friends, and parents have given the support and guidance that will help me embrace whatever obstacles and challenges I will face.

I am so fortunate for the enriching opportunities that Page has given me and the Morehead-Cain foundation will provide me with. Page High School has been a catalyst for me; the relationships, lessons and experiences that I have gleaned have produced a strong desire within me to discover and explore. Because of Page High School, I will have that opportunity. GO PIRATES!

## REUNIONS

### CLASS OF 1972'S 40<sup>TH</sup> REUNION

On September 14-15, 2012, the **PHS Class of 1972** held a memorable 40th Reunion, their first reunion in 20 years. More than 200 classmates and guests attended, hailing from 30+ states. The festivities began with the Friday night football game at Page – won by Page – followed by an informal gathering at Ham's Lakeside.

The main event was held on Saturday at New Bridge Bank Park, where we had the entire stadium to ourselves and enjoyed a stunning view of the Greensboro skyline on a perfect fall evening. A large pirate flag and chest adorned the entrance and displays of memorabilia were available for people to enjoy. A customized soundtrack of music from the 60's and 70's had been assembled by classmate Jim Vestal and provided a great backdrop to our conversations.

*These good friends were happy to be reunited again. Left to right - Mike Kenny, Ed Sink, Lin Garner, Bill Poteat, Hank Fordham and Zan Fortune.*

*These 1972 Page alumni were also in preschool together. Left to right, Robin Moore Stiles, Johnny McLean, Lucy Davis Deeprouse, Steve Carlson, Debbie Cochran Proctor, Steve Henson, Kathy Moore Walker, Zan Fortune.*

Robin Moore Stiles, Chairwoman of the Reunion Planning Committee, welcomed everyone and acknowledged the Planning Committee of Faith Saunders Shields, Susan Lawson Budd, Belinda Harden Crews, Debbie Cochran Proctor, Marsha Goins, Belinda Hardin, Marsha Goins, Brian Taylor, Sandy

*Mike Petty and Anita Brewer Pulley share a moment of reminiscing.*

Cardonick Lavendar, and Anita Brewer Pulley. A special thanks went to Sandy who spent over two years locating our 600+ class members!

A memorial slide show was presented on the large stadium screen to honor and remember the 59 deceased class members, accompanied by fitting songs from Elton John. We enjoyed a plentiful menu of traditional ballpark food. The rest of the evening was spent talking to old friends, catching up on decades of life, taking pictures, laughing, giving out door prizes donated by numerous class members, and having a wonderful time. We look forward to the next opportunity to get together. In the interim, we can stay in touch on our PHS Class of '72 Facebook page.

From the committee's inception, the goal was to hold a reunion event that included all class members. Tickets to the reunion were moderately priced and class members were asked to make additional monetary contributions to ensure our goal was reached. In true Page Pirate style, the Class of '72 donated enough money to cover the cost of tickets for class members that otherwise could not have attended. The effort was so great that the Class of '72 was also able to contribute **\$1,117** to the Page Alumni and Friends Association.

Anita Brewer Pulley, ('72)  
Robin Moore Stiles ('72)

## ART CLASSES AND ELECTRICAL TRADES CLASSES WORK TOGETHER

Art teachers Ashley Deans and Kendra Davis had a dream. That dream was to hold a first annual Art Exhibit at Page to display AP, IB, and honors students' artwork. These talented students had great portfolios with no venue to share them

with others. Mr. Lee's Electrical Trades class agreed to build displays if Deans and Davis could get funds to purchase the materials. The Page Alumni and Friends Association donated \$1,100, and the result was a fabulous Art Show in the Auxiliary Gym – thanks to a lot of folks working together!

*From Estelle McQueen, 2012-2013 President of the National Art Honor Society*

Thanks to the Page Alumni and Friends, students from various upper level art classes had the wonderful opportunity to display their work from this past year. The visual arts program at Page allows students from all levels to paint a vision representing how we as individuals can come together and create a more colorful and expressive world. I am so proud of the hard work that my peers have created. Compliments and positive words of criticism came from teachers, students, staff, parents, and community members who were excited to see so many creative pieces of art. I look forward to coming back next year for Page's Second Annual Art Exhibit!

## FIVE SETS OF TWINS GRADUATE FROM PAGE

Since middle school at Mendenhall, these ten students – five sets of twins – have been together: Estelle & Jarrell McQueen, Anna & Erica Gallerini, Matt & Andrew Lamore, Terence & Tevin Morrison-Lee, and Lauren & Chris Hamrick

## BURRITO BIKERS

Page's Principal's Council is a group of students that meets in the morning monthly with the principal, Patrice Faison, to discuss challenges, give suggestions, and talk about what's going on at school. We decided in early spring that we should and would like to do a service project outside of Page, and we chose "Burrito Bikers."

The words "Burrito" and "Biker" aren't ones that commonly go together and make sense. After all, what could a person who rides a bicycle and a tasty tortilla filled with Mexican food have in common? That's what most people would think, unless they had the joy of taking part in a great outing with the service club called "Burrito Bikers."

Beginning as a group of bikers who delivered breakfast burritos to the homeless on their bikes, Burrito Bikers has evolved into a group of people of various backgrounds and ages that serves and helps where needed. No need to be an Olympic athlete or a five-star chef. Anyone from a soccer mom to a new cook is needed *and* wanted. Every Saturday and Sunday morning, homeless people of Greensboro line up at Center City Park while they await their warm burrito, biscuit, or doughnut.

Our Principal's Council group met at Page on a Friday evening to prepare our breakfast meals. The next morning we gathered on an unusually cold and windy spring morning to deliver our burritos on bikes. In spite of the rugged weather, every single person there – the bikers and the diners – were smiling and having a grand ol' time. The number of times I heard "please," "thank you," and "ma'am" in the short time I was there – for simply handing out warm burritos – was probably more than what you hear in any etiquette class!

So, yes, it may have been really cold and way too early for the typical teen's liking, but that experience was something that I would do again in a heartbeat.

There are many ways to get involved and volunteer in Greensboro but I would highly recommend "Burrito Bikers" for your next feat. Not only do you feel like you're doing something good but you also feel genuinely appreciated and wanted by everyone, which is sometimes hard to find nowadays.

## NEAL HARRELL ('62) – MAJOR FUND DIRECTOR FOR THE UNC RAMS CLUB FOR 30 YEARS

1. *How and when did you come to be employed with the Rams Club?*  
 When I graduated from UNC-Chapel Hill in 1966, I was active in the National Guard for six months, then went to work for Wachovia in Greensboro. In the early '70's I was asked to help open the first Wachovia office in Chapel Hill. In 1982, UNC was looking to build the Dean Smith Center, a process that was going to require major fund-raising. I was hired by then Athletic Director John Swofford to help with this process. The Rams Club is responsible for raising scholarship money for over 400 scholarships in 28 sports that today totals \$9 million per year.
2. *What was the most enjoyable aspect for you as a Rams executive?*  
 I enjoyed almost everything about my job, but the truly most rewarding was meeting the student athletes, seeing their enthusiasm for their sport and for the university. They are all so grateful to the Rams Club for the support they are given – financial and otherwise.
3. *You played a lot of golf at Rams outings. How is your game nowadays?*  
 I did play a lot of golf – some “fun” golf and also a lot of “business golf.” When playing golf, you learn a lot about the person you’re playing with. It’s a game that’s great for making connections with others. I really have more time to play since my retirement last year, but my game’s not any better!
4. *How closely do you expect to follow UNC athletics in your retirement?*  
 As an alumnus and a retired employee of UNC, I will always closely follow all UNC athletics.
5. *What was the biggest change in college athletics over the course of your career?*  
 Probably the biggest change is the rising school costs. Fortunately, UNC alumni are very generous in their support of their school and its athletes.
6. *Do you have a particularly funny memory from Page?*  
 We would often race to MacDonald’s for lunch, then hurry back to class, for which we were often late. One day we decided just to not go back, but to skip out on Mrs. Iris Hunsinger’s English class. The next day, she sent us to Principal Luther Medlin’s office. We told him we all had to leave school for golf practice. Of course, a word with the golf coach landed us in hot water...and a one-month restriction from leaving campus for lunch!
7. *What was best for you at Page?*  
 There was so much – wonderful friends, great teachers, athletics really getting started. I remember when our basketball team FINALLY beat Grimsley (which might have still been Greensboro Senior High.) Some of my fondest memories originate from the halls of Page High School.
