Annual Meeting

5:30 PM at Sherwood Swim and Racquet Club, across from Page.....  
Snacks and adult beverages.....A hearty welcome to ALL!!!

## PAVE THE WAY TO A NEW COURTYARD

### FROM THIS.....

The Page Alumni and Friends Association is working to raise funds for our largest single donation to the school since our organization was formed nine years ago. We have partnered with other organizations and parents within the school to help with large projects in the past, but this will be PAFA's largest gift to the school.

How many of you alumni remember the area just past the office doors, just outside the cafeteria, the Media Center, and the chorus rooms? We all walked past it a million times. It had a patio, but no chairs. It had doors to access the area, but they were always locked. It was surrounded by windows, just nothing to see other than an empty space. A beautiful patch of grass literally in the middle of the school, but no students could enjoy it.

The only time I ever remember seeing anyone in this area was in 1984 when I was a yearbook photographer, and I captured the "mock wedding" officiated by Al Bowers joining Aaron Dean and Pam Jones in 45 minutes of holy bliss in Mrs. Culver's Life Education Class.

"Mock wedding" officiated by Al Bowers joining Aaron Dean and Pam Jones in the Courtyard

Doors are now OPEN leading from the halls into this outside space!! The patio is long gone since the Media Center was enlarged in 2004, and recently a walkway joining A-Wing and B-Wing hallways was added. The County decided this was the best formula to reduce the heavy traffic in A/C intersection and allow students to get to the cafeteria more easily, giving more time for lunch. *Have you heard about our Cafeteria issue?* It is the same size it was in 1958 when Page opened. Only seniors can leave for lunch, we now have ninth grade students, and the school is larger than it's ever been. There're not enough places to eat!

A couple of years ago, the Page Alumni and Friends bought ten picnic tables, then this past year we partnered with the Athletic Booster Club to buy five more so students could enjoy outside dining on Treasure Island. Now we have the opportunity to create a courtyard that will allow for 60-80 more students to have a place to sit when they eat, while creating an aesthetically pleasing area on our campus that can be used for other purposes, too.

Then we came to the problem of what sort of ground cover to use. Grass would be beautiful, but after a few days of students eating lunch there, the grass would be trampled, only to be followed by a mud hole after a decent rainfall. If gravel were used (similar to what we put on Treasure Island) they would need constant replacing, and the windows might look like too-inviting targets! Decking might work, but it would be exorbitantly expensive. In other words, we researched and kicked around lots of ideas before settling on what we felt will make the most sense!

A Concrete Solution. Our hope is to create a flowing concrete patio that will be surrounded by low-maintenance shrubs and decorative trees, topped with tables and benches for seating. Since grading is necessary to make the courtyard level, a step and a ramp making the patio handicap-accessible will be included.

*Parent Jess Washburn and concrete contractor Ace Kirkman take measurements in the courtyard.*

This project is going to cost \$18,000-\$24,000. Ace Creative Concrete and Chandler Concrete have extended very generous pricing so our Association can make this a reality. Durable red and black metal picnic tables with thermoplastic coating (like the ones we're bought previously) are \$800 each. Plantings will need to be purchased.

This is where we really need parents and alumni to step up. We are hoping that you will help the PAFA in providing this greatly needed area for our students. We invite you to either donate through the membership form on p. 15 OR by **BUYING A BRICK (OR TWO OR MORE!)** at \$100 each. Each brick will have engraving of your choosing and become a permanent part of the courtyard. Your brick may be in honor of or in memory of someone. Or it may be from your family.

How to **PAVE THE WAY** by buying a brick is on the back of the newsletter. You may order online or you may mail in your check and information. We look forward to and thank you for your support! And we invite you to visit our new Courtyard in the fall!

*Charles Wright, '86*

# CLASS REUNIONS

**THE PAGE HIGH SCHOOL Class of 1964**, after a hiatus of twenty years, enjoyed a smashing successful 50<sup>th</sup> reunion on September 19 and 20, 2014, in Greensboro.

The festivities kicked off with an informal meet-and-greet social at the Sherwood Swim & Tennis clubhouse on Friday evening. There were 131 in attendance – some who had never before attended a class reunion! The excellent fall weather encouraged attendees to enjoy the evening on the deck as well as in the cleverly decorated indoor space. The Page High cheerleaders even dropped by to welcome the class and help celebrate our anniversary!

On Saturday morning members of the class enjoyed a tour of the school hosted by Page Alumni and Friends. My, how things have changed – and GROWN! The relatively small facility that we left behind at graduation has blossomed into a virtual compound with a regulation football stadium, two gyms, a burgeoning music department, and an administrative area that dwarfs what we knew.

50th Reunion  
September 20th 2014

Page High Class of 1964

(Continued from page 4)

The afternoon allowed time for small gatherings for lunch or visiting favorite high school haunts with friends, both old and new. There were groups in conversation over boxed lunches at Page and another around picnic tables at Yum-Yum Ice Cream.

The weekend finished with a dinner celebration at the Downtown Marriott on Saturday evening with about 145 in attendance. There were so many friends to see and visit, but not enough time to get

around to all of them. **Chandler White** was our Master of Ceremonies Extraordinaire with stories and zingers to keep things moving. If you weren't able to attend, we missed you. We had so much fun! There is a good bit of conversation about having a single event in a year or two – a no-fuss gathering, something simple and informal. We'll keep you posted if we have your contact information. **If you haven't heard from us, we don't know how to reach you.** You can send your contact info to [gsowalker@ol.com](mailto:gsowalker@ol.com).

Be sure to include any name changes (name you currently go by in addition to name used in high school). Check out the photos from the reunion weekend posted there... and maybe catch up with someone you've been looking for.

**THE PAGE HIGH SCHOOL Classes of 1973 and 1974** held a joint reunion the weekend of the Page/Grimsley game this past October. The events included a gathering at the SpeakEasy Tavern after the football game on Friday night, a school tour on Saturday morning, hosted by the Page Alumni and Friends, and a buffet dinner and party on Saturday night at NewBridge Bank Park.

The reunion committee members were Vicki Megremis Vaughan, Donald Moore, Terry Boyd Southard, Tena Shepherd Anton, Susan Martin Abels, Meg McCook Boyles, Noelle Newman Boozer, Susan Maxwell Starr, and Len Anderson. A gift in the amount of \$1,435.00 from the classes of 1973 and 1974 was presented to the Page High School Alumni and Friends Association.

*Vicki Megremis Vaughan, Class of 1974*

Vicki Megremis Vaughan ('74) and Donald Moore ('74) are seen here after presenting a check for \$1435 to the Page Alumni and Friends Association. The gift was from the Classes of 1973 and 1974 who held a combined reunion in October 2014.

**Page Playmakers Present *Mary Poppins***

The Page Playmakers will be the first high school in Greensboro to perform *Mary Poppins*, the musical. Come out and see them bring to life the stories of P.L. Travers on Wednesday, March 25th through Friday, March 27th at 7 pm, and Saturday, March 28th at 2 pm. Tickets will be \$8 in advance through the Playmakers themselves and [seatyourself.biz/page](http://seatyourself.biz/page), or \$10 at the door!

**THE PAGE CLASS of 1984** gathered for its 30th reunion in October, with nearly 150 Pirates attending the various events. The first event was Friday morning, the Ninth Annual Page-Grimmsley Golf Tournament at Bryan Park, followed by the Page-Grimmsley football game that night. On Saturday morning, the Page Alumni and Friends Association served up coffee, doughnuts, and the opportunity to tour the school. Alums enjoyed reminiscing and viewing first-hand the changes that have occurred over the years and the things that had remained the same. The 30<sup>th</sup> Reunion culminated with the grand fete at Cafe Pasta on Saturday night. It truly was a special occasion!

*Andrea Cudd Alemanni, Penny Smith, Merikay Hunt Tillman, Jeanette Kennerly Billings, Donna Bell Medlin*

*Shelley Dean Weeks, Stephen Covington, Buddy Alberty from Hawaii*

*Laura Wheeler, Stacy Gupton Smith, and Theresa Boger Sarastano*

**THE PHS CLASS of 1989** had a wonderful 25th reunion in September! It started with the Page Homecoming football game on Friday night. We gathered in the stands, watched good football, saw Homecoming Court, and caught a glimpse of Mr. C! Members of the class then met at Printworks at the Proximity Hotel and stayed until closing time. They had to flicker the lights to get us to leave!

*(Continued from page 7)*

On Saturday, the school tour, hosted by the Alumni and Friends, was a big hit as we walked the halls, shared many laughs, and reminisced about old times! Classmates ate lunch at Ghassan's on Cornwallis and gathered for a cookout at Barber Park. The highlight was Saturday night at Cafe Pasta on State Street. The company, food, decorations, old school props, and DJ all made for a fabulous party!

Thanks to the wonderful reunion committee for all of your hard work! We had a great turnout with classmates coming from as far as Seattle and Portland! What a night...dancing, seeing familiar faces, talking, catching up, sharing old stories, and more! Get ready for the 30th!

*Amy Young Jordan, Class of 1989*

**THE PAGE HIGH SCHOOL CLASS of 1994's** 20th year reunion weekend was full of fun, reminiscing, and rekindled friendships. We kicked off the weekend on Friday at the Page/Grimsley football game where we prevailed once again with a 46-6 win. Later that evening, we rented the third floor of Natty Greene's Pub and Brewing Company where we met for some postgame fun.

The weekend continued on Saturday with alumni and families attending the Page Alumni and Friends Open house and tour of the school. This was a great opportunity for us to show our spouses and children where we created the friendships that have lasted twenty (plus) years. Finally, on Saturday night the weekend concluded with a party at Sherwood Swim and Racquet club. It was a great evening with about 80 alumni plus spouses. Classmates came from nine different states, the farthest from Seattle, Washington, and Vancouver, British Columbia. Overall, it was a great weekend with our Page High School family!

## ROB LOVEJOY

Page Alumnus, Rob Lovejoy shares a part of his journey since his graduation from Page in 2010. He played significant roles on his soccer teams at Page and UNC. He was named MVP in Page's NCHSAA victory in the 2009 State Soccer Championship game. His UNC team won the national NCAA championship in 2011, with Rob making a key goal in the semifinal game against UCLA. While majoring in Business Administration at UNC, he made the Dean's List and was named to the ACC All-American Team and the ACC Honor Roll. He is the son of Cathy and Bob Lovejoy, his mother Cathy Inabet Lovejoy being a 1977 Page alumna.

In high school, I played for two teams: Page High Varsity/JV teams and Triangle United (club team). My club team was based in Chapel Hill, so you can imagine the time we spent on the road. Thanks to my parents, I was able to play for one of the best teams in the country under one of the most elite coaches - *who* happened to also be the UNC Men's Soccer Head Coach at the time. Honestly, not many schools were recruiting me out of high school, but he offered me a spot on the roster at UNC.

Growing up as a Tar Heel fan, UNC was my school of choice, so the fact I was able to attend the university and be a part of one of the best college soccer programs in the nation was both a dream and a blessing. Once I arrived, I wasn't expecting much. I was just happy at first to be associated with the team. Some of the older, waaaaay more talented players took me under their wing and I *learned* so much from their lifestyles as well as their on-the-field tendencies. By the end of my first season, I was a regular contributor, coming off the bench for 20-30 minutes per game. My second year was the best team I ever played on. Although we had a coaching change, many returning players helped win us our program's second national title. I was fortunate enough to start every game that season. My third and fourth years became problematic as I dealt with several serious injuries, which sidelined me for a considerable amount of time. However, thanks to the support of my family, the medical staff at UNC, and my coaches, I was able to overcome these obstacles and return for a fifth year where I had a pretty large leadership role on the team.

Eventually, I was selected 36th overall in the second round of the MLS Super Draft by the Houston Dynamo where I am now. Pre-season began mid-January, and I am having the time of my life. So far, I have enjoyed meeting all the guys, including one of my childhood idols, DaMarcus Beasley. I am not yet under contract, so the coaching staff could choose to release me any day up until early March. In the meantime, I am trying to enjoy the experience as much as I can because not many people get to go through this. It was a childhood dream to play professional soccer and the fact that I have a chance to achieve that dream is extremely exciting. Of course I wouldn't be here without all of those who supported me along the way!

Rob Lovejoy, Class of 2010

## PAGE HIGH SCHOOL MEN'S SOCCER ALUMNI GAME

Men's Varsity Soccer completed the team's 40th season as the 4A All-Metro Conference Co-Champions. To celebrate 40 years of success, the men's team will host an Alumni Game fundraiser on May 16th, 2015, 11:00 AM at Page. Proceeds will support the purchase of training equipment, uniforms, and any other needs to be successful in the coming years.

Registration for this game will open on March 15, 2015 at [active.com](http://active.com). The registration fee is \$25, which will include a game t-shirt and other game-day items. Information and updates will be communicated through the team Facebook page, the team Twitter account, and emails.

Feel like you're past your soccer-playing prime? Then register, dress out, and be a bench cheerleader! Or, at least, come to the game, cheer us on, and see former teammates on May 16<sup>th</sup>!

For questions and information contact Ande Hewitt at [andehewitt@gmail.com](mailto:andehewitt@gmail.com).

# 2014 RIVALRY REUNION: A YEAR TO SET RECORDS

Alumni and friends from both Page and Grimsley squared off this past October 17<sup>th</sup> and records were set on many different fronts. First and foremost, the 2014 Rivalry Reunion raised a record amount of money to be split between both schools. Page and Grimsley each received a check for \$14,000 to be used by the Athletic Booster Clubs. The money raised starts with our corporate sponsors, and our own Donald Moore ('74) of the Greensboro Grasshoppers has led the way each year as the title sponsor.

The field was sold out again this year with 288 golfers, and a new record was set for the number of Page Golfers. The event was created in 2006, and in the early years it was dominated by Grimsley players. After the third year, Page finally recruited more players than Grimsley and we won our first tournament. This year it was pretty much over before it started, with Page at 164 golfers compared to the 124 representing Grimsley. Each year the team with the most players has taken home the trophy, so please remember this when we start registration this June.

A record that the Page committee members are very proud of is that for the first time since the Rivalry Reunion was created, Page leads 5-4 in victories, and we hope to continue our streak next October the 16<sup>th</sup> when we face off for the 10<sup>th</sup> Annual Rivalry Reunion. Our success is greatly dependent on the support from the class reunions that are scheduled for the Page-Grimsley Football game, so to those classes having reunions this year, PLEASE make the Friday Golf part of your reunion weekend.

Principal Patrice Faison and AD Rusty Lee accept the check from Donald Moore, Grasshoppers President and Page Alumnus

The money raised has done wonderful things for the Page Athletic facilities. We have helped build dugouts for the men's and women's baseball and softball teams; we have helped buy mats for the walls inside the gym; and this year the \$14,000 raised will help with the purchase of the new sound system for our stadium.

Thanks to all those that have played and supported this event over the years, and we hope more Pirates will join in the fun this season. For information, please visit our website: [www.pagegrimsleygolf.com](http://www.pagegrimsleygolf.com).

Charles Wright ('86), 2014 Golf Tournament Chair

## NEESE'S SCHOLARSHIP

Every year at the Page-Grimsley Football Game, the Neese Family honors a male and a female senior athlete from both Page and Grimsley with a \$1,000 scholarship. Athletes are nominated by their coaches, not for being the best athlete but for being the kind of person that "goes the extra mile" for his/her team and teammates. At Page, the Alumni and Friends Scholarship Committee facilitates the Page scholarship selections.

### CAROLINE YARBROUGH

"I think you finally found your sport." Those seven words were texted to me tonight after I walked off the track at the Guilford County Indoor Track and Field Championship in Winston-Salem. They were sent to me by esteemed Page Coach Phillip "Legs" Legnetti.

I arrived as a freshman at Page High School after nine years at Canterbury School. Team sports have been an important part of my life since I was in kindergarten and have helped to define me and my work ethic. I hesitantly dropped lacrosse, tennis, and swimming at Page but was able to add cross country and track to my main sports of field Hockey, basketball, and soccer. It has been an honor and privilege to represent Page High School in five sports during my time in high school. My Page community of teammates and coaches have provided me with so much encouragement and inspired my dedication. I have been greatly enriched by everyone with whom I have had the honor of sharing the playing field, and I have learned invaluable lessons about community, unselfishness, and doing my best at all times.

I am thankful that I was able to participate in cross country and track when it did not conflict with my three main sports. It is ironic that it was these sports – done in my spare time – that would soon begin to define my future. I plan to run cross country and track in college at Carolina, Clemson, Washington and Lee, or Davidson.

Being a student in the inspirational community of Page has helped me learn and hone a work ethic that carries from the classroom to beyond the walls of Page, to my church and community involvement. While at Page I have been challenged academically and encouraged and inspired toward a purpose-filled life.

I am honored to be the recipient of the Neese Family Athletic Scholarship and I am very thankful to the Neese Family and to the Page Alumni and Friends for selecting me.

*Caroline Yarbrough, Class of 2015*

*From Track Coach, Philip Legnetti.....Caroline has helped the younger ladies on the team by talking with them when they get disappointed after races and practices...She gives them pointers on how to run hills, how to navigate through the different course, and she will even lay back in dual meets and do what we call "pack run." This slows her times down, but it helps the other runners times improve as they run as a group....This also helps to build team spirit.*

### STANFORD SHELL

Hello, all. I would like to begin by thanking the Neese family as well as the Page Alumni and Friends Association for the Neese's Sausage Scholarship. I am very honored and humbled to have been selected as a recipient of this award and know that it will help propel me in my studies next year in college. I am still in the process of deciding where to go, but the possibilities include the University of North Carolina at Chapel Hill, NC State, Clemson, Appalachian State, and Virginia Tech.

While I am eagerly anticipating everything that the future will bring, I will miss my time at Page High School. The last years have been more than I ever could have hoped for. Page has proven itself a great place to learn while engaging in extracurricular activities such as athletics, clubs, and service organizations. From directing Page Athletes in Action, a service organization which conducts canned food drives at home football and basketball games, to serving as both Junior Class President and Student Body President, to getting involved in Young Life, to playing varsity baseball and football, I have done my best to take advantage of as many of these opportunities as possible. These endeavors have allowed me to meet many new people and broaden my knowledge and my view of the world.

I am grateful to have been honored as a Metro 4-A All Conference baseball player, a recipient of the Woodman Trophy, and a Morehead-Cain Scholarship Semifinalist. Experiences and honors such as these have come to make me extremely thankful – thankful for my family's support over the years, thankful for my friends standing by me, thankful for the Page staff working hard every day to develop the young minds of students both academically and athletically. I sincerely thank and am thankful also for the Page Alumni and Friends and the Neese family's interest in the lives and education of young people. This scholarship is truly a blessing and I will continue to work diligently to be worthy of everything it stands for.

*Stanford Shell, Class of 2015*

*From Baseball Coach, William Harden..... Until working with Stanford Shell, I had never coached anyone who has the sincere passion to be the best that he can be in every area of life that he engages in. The two words that I would use to identify Stanford are hardest worker, in and out of the classroom, the most dedicated young man that I have been associated with in my 21 years of teaching and coaching. He is .... a true born leader.*

## A SPECIAL DAY AT PAGE

March 3 was a different kind of day at Page, with each class having its own focus and design.

It was the “official” ACT day. All juniors at Page took the ACT, a three-and-a-half hour college entrance test required by many schools, both in North Carolina and elsewhere. It is widely used and growing in popularity, even surpassing the SAT in many states. The current juniors took the Plan – an ACT practice test – last year and have been taking ACT practices in their classes throughout the year. The test consists of reading, math, English, and science sections followed by a writing test.

Juniors taking the ACT

However, this day was not only important for juniors, but for all other classes, as well. Sophomores had a unique chance to begin preparing themselves for the college process or to get a head start in their service learning. Buses were provided to transport groups of students to numerous local institutions of higher learning such as UNCG and GTCC, and to local service-learning opportunities such as Greensboro Children’s Museum or Greensboro Science Center. Other possibilities included job-shadowing and independent visits to colleges and universities, planned on their own and not provided by Page.

Seniors had a similar opportunity on this day, the only difference being that all of their opportunities were independent from Page and planned on their own. Seniors participated in college visits and job-shadowing.

Sophomores Namita Patel, Molly Stevens, Mary Myers Hill, and Corinne Nussbaum on their visit to Chapel Hill

Freshmen stayed on campus doing a Freshmen EXPO where counselors and teachers educated them on electives, graduation requirements, etc.

This innovative day provided opportunities for students to prepare for their future. It was just another demonstration of how the administrators and teachers care deeply for their students and want them to succeed, not only while here at Page, but after they graduate as well.

*Susannah Townes, Class of 2016*
