FROM THE PRESIDENT...

Spring/Summer 2012

We have just completed our sixth year as the Page Alumni and Friends Association. Our successes are many.

Besides the scholarships, the capital improvements, the landscaping, and other visible accomplishments, we are proud of how we have worked closely with the Page administration to improve life at Page. We appreciate the support – both in the form of finances and “sweat equity” – from alumni, from parents, and from past Page parents. These folks have made our work possible. We also appreciate the thousands of volunteer hours that folks have put into our Association and its initiatives.

Over the years, many of you have been receiving our newsletters but have not supported us with financial donations. This means that someone else has been paying for the newsletters you have received. The number of memberships per year has stayed relatively flat, around 300 per year. You can affirm our efforts by joining.

So, in an effort to be better stewards of the donations we do receive, our next newsletter will be sent only to those who have financially supported our Association. Of course, the newsletter will be posted on line, and anyone can sign up free of charge for the e-newsletter. *But our real hope is that many of you will decide to support the good works we are doing by sending in your membership form with a check TODAY!* Or join online at www.pagealumniandfriends.org. See your name in print in the winter newsletter as one who supports Page!

If you live in town, come to our meetings. We have four per year at Sherwood – three regular (September, November, and March) and the annual meeting (late May or early June). Bring ideas, hear what’s being done, socialize with old and new friends! Let us know if you would like to take an active role.

I look forward to hearing from you!

GOODBYE AND THANK YOU, MARILYN FOLEY

Marilyn Foley has been at the helm as Page's principal since 2007. In her five years at Page, she has brought Page to a whole new level. Test scores have risen. IB and AP programs have expanded. Student participation has grown. Discipline and order abound. She says, "I set academic, safety, and culture goals." All of us in the Page community know that she achieved those goals, perhaps far above our expectations. And now she is being transferred to Eastern Guilford High School.

As we know firsthand, her talents and skills will be a great asset to that school community. While we hate to see her go, she is leaving Page in excellent condition for the future. Ms. Foley has laid the groundwork for Page to continue being a flagship high school, serving its students of all backgrounds, abilities, and aspirations.

Ms. Foley, it is with much reluctance and enormous gratitude that we bid you adieu. We wish for you the best at Eastern Guilford. In our hearts you will always be a Page Pirate!

Dear Alumni and Friends,

This will be my last opportunity to speak about my time at Page. I would like to tell everyone what a privilege it has been to be closely associated with a school so rich in tradition, a community so committed to the school, students so talented and involved, a staff so dedicated, and alumni who give so much to support the school. It has indeed been such a wonderful time in my career. The opportunity to work with the Alumni Association has indeed been a pleasure. You have set the pace for other schools and alumni associations to try to emulate. Listed below are some of the accomplishments that the students and staff achieved this past year.

- For the fifth consecutive year, the amount of scholarship money increased. This year saw a half million dollar increase with students earning approximately \$11.650 million, including \$4.125 million in athletic scholarships, the highest ever in athletic scholarships.
- Seniors were accepted to approximately 135 colleges and universities.
- The football stadium construction was completed thanks to a \$2 million bond project. Additional renovations were made to the auxiliary gym. A soccer field, complete with stands and lighting, was also added.
- The Page IB program continues to grow in numbers and in the percent of students earning the diploma. In 2012, a record 70% of the students earned the diploma.
- Page excelled in athletics winning the state 4AA football championship. In addition, individual women's and men's state championships were awarded in tennis. Three coaches received conference coach of the year (football, women's basketball, men's basketball). Our tennis coach was named the USTPA Southern Region High School Coach of the Year.
- Students at Page had a record number of hours participating in both Service Learning and community volunteering.
- SAT scores grew.
- We added another Advanced Placement class bringing the total number of AP courses offered to 19.
- Page was recognized as a School of Distinction for the third consecutive year.

These are but a few highlights of our year. Thank you again for all you do to support Page and the wonderful students that attend there each year.

Marilyn Foley

HELLO AND WELCOME, PATRICE FAISON

Patrice Faison comes to Page as our new principal. As the principal of Oak Hill Elementary, she was named the 2011-12 N.C. Principal of the Year. This past year, Oak Hill's end-of-grade test scores rose 19.4%, and Oak Hill was named one of GCS's Most Improved Schools. Ms. Faison has also served as Assistant Principal at Ragsdale and as principal at the Academy at Smith.

Ms. Faison, we look forward to working with you and making you a full-fledged Page Pirate!

Hello Page Pirate Families,

I am extremely excited about joining the "Pirate Family." Page High School is rich in history, tradition, and excellence. It is a diverse school that displays excellence in many different forms: on the athletic fields with State Championship teams, in the classrooms with National Merit Scholars, and also on the stage. As I return to the high school level, I am proud to work with such a strong school that has such an impressive history and such important ties to the community. I am proud to come into a school that has seen steady academic growth over the last few years. I am honored to follow in the footsteps of Marilyn Foley.

I am looking forward to the 2012-2013 school year and all of the exciting opportunities that await us as we work together to take Page into the future with great success. Two primary goals for me are improving technology at Page and increasing parent and community involvement.

In the area of technology, for our students to be successful both in the classroom and after graduation, they must be prepared with the tools of the 21st century. Therefore, I will work to increase the amount of technology Page teachers have access to which will allow them to manipulate and better understand the curriculum. Concerning parent and community involvement, I know that our students' parents can be our biggest partners in achieving educational excellence at Page. We will provide workshops to equip parents as they help their teenagers navigate high school's waters. This includes helping parents become more familiar with Parent Assist and giving parents support in both college and career planning for students.

This is going to be an exciting year. I look forward to getting to know you all as we begin this journey together. Go Pirates!!!!

Patrice Faison, Page Principal

PAGE ORCHESTRA PERFORMS AT WAR MEMORIAL AUDITORIUM

The Page High School Orchestra was honored to be in a High School Partnership Residency Program with the Greensboro Symphony Orchestra in early May. Peter Zlotnick, GSO Education Director, helped to set up the program in August 2011. The GSO sent a string quintet to rehearse the orchestra in sectionals (1st violin, 2nd violin, viola, cello, bass) on April 30 and May 1. The program concluded with the Page High School Orchestra being invited to perform on stage at the War Memorial Auditorium, prior to the Greensboro Symphony masterworks concert on Thursday, May 3. The GSO members who coached the students played side by side with them during the performance. The students and parents were given complimentary tickets to stay and watch their mentors perform in the GSO concert.

Conductor Kamine Haghighi

Many thanks to the GSO Partnership Residency Program Faculty: Marjorie Bagley and Wendy Rawls, violin; Scott Rawls, viola; Alex Ezerman, violoncello; John Spuller, bass. We also wish to thank the GSO Guild for attending the rehearsals and sponsorship of the event.

What an honor to participate in this partnership program with the GSO. The orchestra played beautifully, and it was a treat to perform on such a stage with such fabulous professionals! I am delighted to have had the opportunity to present our Page High School Orchestra at the Symphony.

PAGE ALUMNI AND FRIENDS 2012 MERIT SCHOLARSHIPS

Every student who applied for our scholarship submitted impressive applications and essays. And each student who went through the interview process was truly outstanding. Our decision was not easy, but we know that these five students are truly deserving, and we are pleased to present them with the Page High School Alumni and Friends 2012 Merit Scholarship. Their brief bios are below.

KATHRYN BLACK

I will be attending Clemson University this fall. I am excited and honored to have received a Page Alumni and Friends Association Scholarship, and I would like to thank you for your support.

At Page I was active in Student Council, Pages by Page school newspaper, and YoungLife. I also played lacrosse and field hockey. I served as the Senior Class Secretary/Treasurer on Student Council and was the Features Editor for *Pages by Page*. Holding these positions not only offered me the privilege of working with my peers to help make Page a better place, but it also allowed me to appreciate its hardworking student body with unique diversity and an enduring spirit. I also served as a YoungLife Senior Leader, mentoring a group of freshman girls at Page in their journey with Christ.

As a team member and senior captain of both the women's lacrosse and field hockey teams, I learned the importance of teamwork and dedication. I found ways to support my team by cheering them on and offering encouragement, even when standing on the sidelines. The one-of-a-kind school spirit found at Page truly made my high school experience memorable. Words cannot describe how it felt to hear the roar of the crowd as we won the football state championship, or to see the entire auditorium give a standing ovation to honor our class's favorite teacher of all time. It is incredible to see how all of the Page community including students, teachers, parents, and alumni unite to support the Pirates. I'm looking forward to attending Clemson University this fall... another school with an abundance of school spirit!

Kathryn has a contagious love for Page High School. She is a young lady who is full spirit and passion.

BRYSON FONVILLE

Next fall I will be attending Catholic University in Washington, DC. Along with being a student there, I will also continue my career as a basketball player.

When I heard my name called at the Senior Awards Ceremony to receive this scholarship, I was very excited and proud of myself. I felt honored to be selected by Page graduates as someone who they feel represents Page as a whole. My years at Page were great! I loved my basketball team and my classmates. We all stuck together during our four years, and now we are about to graduate! Our class has accomplished many impressive things, and many of my close friends are also going to college for academics and athletics. I am very proud of the class of 2012, and I know we all have bright futures!

There is no doubt that Bryson will continue to be a leader and role model both on and off the basketball court at Catholic University.

CARSON LAMB

I will be attending Appalachian State University in the fall. I plan on majoring in Education with a minor in Global Studies, as I hope to one day teach in a Third World country. I am so honored to receive the Page Alumni and Friends Scholarship! This scholarship means more to me than any other one available because Page has provided me with so much: an education, learning experiences for the real world, and the chance to immerse myself in the caring and affection given by the Page faculty.

Page was not just a place for me to go for four years to move on to college, but it has been a place for me to prepare myself for my future in so many ways. Thank you so much for helping me reach my dream of a higher education! Go Pirates!!

Carson truly valued her education at Page. We wish her well in her desire to teach in Third World countries.

(Continued from page 4)

CAITLIN MILLS

I am very excited and thankful to have been selected for the Page Alumni and Friends Scholarship. This scholarship reminds me of how my hard work both in and out of the classroom has paid off.

As a student at Page, I was a member of Young Life and student council, played soccer, ran cross country, participated in Science Olympiad, and started the Page Beautification Club. I made lasting relationships with teachers and students, and I know I will keep up with them in the future.

I would like to thank Page Alumni and Friends for supporting my Girl Scout Gold Award project and honoring me with this scholarship. I will be attending the University of Virginia in the fall, but I will always be a part of the Page community!

Caitlin is such a natural leader who found multiple ways to contribute to this community at Page. The creation of the Beautification Club was just one

example of her commitment to and love for Page.

LEK SIU

I am from Vietnam and have been in the U.S. for five years. It is a great opportunity that America has given me.

I have attended Page High School for four years. Page has been an amazing and wonderful school. Page has taught me so much about how to be a leader. All the teachers at Page are friendly and helpful. Page High School is not like other schools. Page is very accepting and open-minded to its students.

I love learning at Page High School. There are so many good programs that Page offers for the new generations. I am very happy that I got selected for the scholarship. I was so surprised and excited at the same time. I thank you so much for all the people who helped me by writing the recommendation letter and checking the grammar in my essay. I will attend Guilford College in the fall, and I am so excited to start a new life. I am the first person who will go to college in the family. I will try my best and work hard to support my family, because my family is in need and they look up to me.

Lek is an amazing young lady who came to the United States and learned English just five years ago. She is so appreciative of what Page has given her that she now helps teach English to others.

Mrs. Haghighi wishes to thank...

The Page Alumni and Friends Association for their generous donation of \$200.00 to help fund the Sphinx Quartet from Detroit to perform at Page in October. Our orchestra performed in a master clinic on the Page Auditorium Stage while the quartet members coached a rehearsal in front of 350 students from Northern Middle, Northwest High, Mendenhall Middle, Cone Elementary, and Page High School Music Departments.

Alumnus **Chipper Nuckles ('64)** for his generous donation of two violins to the Page Orchestra. One is a 3/4 size violin, about a hundred years old, and the other violin is a newer Czech violin. Both are in excellent condition! The instruments will certainly be well taken care of and used by our talented string players at Page for many years to come.

**Our Association also thanks Chipper for realizing that the Page orchestra could use the donated violins. We ask that each of you keep Page in mind if there are instruments, appliances, furniture, copiers, planters, etc. that are in good condition that might be used in some capacity at Page.*

GREAT TENNIS AT PAGE

Freshman **Hannah Templeton** and senior **Austin Ansari ('12)** were the NCHSAA 4A Tennis Singles Champions for the 2011-2012 school year. While Page has had great success and state championships in tennis in recent years, this is the first year that the men's and women's singles champions were both Page students.

MEET HANNAH AND AUSTIN...

HOW DID YOUR TENNIS CAREER GET STARTED?

Hannah: I started playing tennis when I was eight. Tom Herb was giving my brother a lesson, and he told me to go over and join the kids' clinic. Something about it clicked!

Austin: My dad got me interested when I was five. He started feeding me tennis balls, and it all just felt right.

WHO HAVE BEEN MAJOR INFLUENCES IN YOUR LIFE AT THE GAME OF TENNIS?

Hannah: My coaches, my parents, and the kids that I see every day at practice.

My coaches: Tom Herb has coached me from the beginning, pushing me to try harder, be better, and run faster. His belief in me has given me a huge amount of confidence. Without my high school coach, Jason Allen, cheering me on, I don't know if I could have won the women's singles championship.

My parents: They have been major positive influences. My mom is my rock – the shoulder I cry on, the other half of the duet I sing before a match. My dad's been to many matches,

and my mom's missed only about eight singles matches ever.

My friends and teammates: I would not be the person or player I am today without the kids I practice with. I've had some great role models, and I hope to be a good role model for the little kids that look up to me. The Newmans are the first people that come to mind when I think of good influences. I have looked up to them since that day I started playing. They have a drive and love for the game that I may never understand. They have all been wildly successful, all with full rides to college. To me, they represent sportsmanship. They always say, "Good shot," are upbeat, and are always willing to help. I have also always looked up to Austin. I have grown up playing with him. He does not let anything bother him on or off the court. He doesn't get caught up in line calls and never takes losing too hard. He does not strategize and seems to not get nervous. He just goes out and hits the ball. I envy his ability to block everything out.

Austin: I have had many coaches. The one that has influenced me the most is Tom Herb. Not only has he been my tennis coach, but he has been my mentor and a role model for me.

HAVE YOU GIVEN ANY THOUGHT TO COLLEGE OR PROFESSIONAL TENNIS?

Hannah: I have dreamed about going to Carolina since I was three, but I've also added Vanderbilt or UVA to my "top three" list. I hope to go to not just a great tennis school, but a great academic school, as well. I would love nothing more than to play pro tennis, but you cannot bank your future on going pro, especially considering possible injuries.

HOW DID YOU MAKE YOUR DECISION TO GO TO CLEMSON?

Austin: I decided on Clemson University because the coach I admire so much, Tom Herb, had attended school there. I also had several opportunities to play at Clemson as a junior player for Southern Level tournaments and always came back with a positive experience.

WHAT GIVES YOU THE MOST PLEASURE IN THE GAME?

Hannah: Other than winning, that would be the ability to see my improvements, not only in my shots and against players, but in my mind set as well.

Austin: Besides winning difficult matches against other good players, knowing that I have given my best performance gives me the most pleasure in playing the game of tennis.

IF YOU COULD MEET AND HAVE LUNCH WITH THREE TENNIS PROFESSIONALS, WHO WOULD THEY BE?

Hannah: First would be John Isner (even though I have already met him) because he grew up in the kind of life I am living. He went to Page and took from Tom. The second would be John McEnroe. His crazy personality on the court intrigues me to see what his personality would be like off the court. Last would be Serena Williams because she has absolutely dominated women's tennis and is also American.

Austin: Three people that I would like to meet are Roger Federer, Rafael Nadal, and Andre Aggassi. I also have had the pleasure and privilege of meeting John Isner and being able to play as his double partner in a fundraising event held at Starmount Country Club. This, I must say, was an exciting moment for me!

(Continued from page 6)

WHO IS YOUR FAVORITE PROFESSIONAL PLAYER?

Hannah: My favorite professional tennis player is Rafael Nadal. The way he gets to every single ball and the physical shape he is in is truly amazing. I wish I had the patience that he does.

Austin: I admire Rodger Federer because of the way he always stays calm at all times during his match. He always has incredible shots with his forehand and backhand, and he has excellent footwork.

TENNIS IS A HIGHLY INDIVIDUAL SPORT PLAYED AS A TEAM SPORT IN HIGH SCHOOL AND COLLEGE. HOW DO YOU HANDLE BEING AN INDIVIDUAL STAR IN A TEAM SETTING?

Hannah: Being on a team was a real change for me. My team encouraged me on the court, and they definitely helped me adjust to life at Page. I was a bit hesitant when I realized I would be relying on them for the outcome of our match, but I soon realized that they did better than I could ever ask for. Without my teammates, I would not have gotten through some of the difficult things that I faced during the tennis season. Even though I may play more tennis than most of the girls on the team, I found myself looking to them more than they looked to me. It was also fun being able to cheer a teammate on to beat someone she had never beaten before and when she told me she could not have won with out my support, that really meant a lot.

Austin: How I handle being an individual star in a team setting is being supportive of all of my teammates, encouraging them to always do their best.

OTHER OUTSTANDING TENNIS ALUMNI

JOHN ISNER

Page alumna **John Isner ('03)** is wowing all of us! With a #11 spot in the ATP rankings, he is #1 in the USA. He successfully defended his ATP Hall of Fame title in Rhode Island, winning 57 of 58 service games in the tournament.

John is one of the few ATP players who attended four years of college, graduating from Georgia in 2007. We will all be cheering John as he represents the United States in the Olympics in London. And we can proudly say, "He went to Page!"

T

THE ARTHUR ASHE JR. AWARD FOR LEADERSHIP AND SPORTSMANSHIP – THE NEWMAN SISTERS

Two Page alumni have been named the national winners of the *Intercollegiate Tennis Association Arthur Ashe Jr. Award for Leadership and Sportsmanship*. This is the highest award given in all divisions of collegiate tennis, an award recognizing success in tennis, volunteerism, and academic achievements. And these two recipients are sisters!

Page alumna **Caroline Newman ('08)** was named the 2012 winner of this prestigious award. Caroline graduated from the College of Charleston summa cum laude with a 4.0 GPA, majoring in psychology with a minor in neuroscience. She has assisted in an inner-city tennis program for children for the last three years and has traveled to Africa to assist in medical clinics in rural areas. While at Page, Caroline graduated in the top 1% of her class. She plans to go to medical school in the fall of 2013.

Two years earlier, in 2010, Page alumna **Catherine Newman ('06)** also won this esteemed award in her senior year at Vanderbilt. She graduated from Vanderbilt with a 3.89 GPA, with a major in Civil Engineering and a minor in math. While there, she amassed numerous athletic and academic awards.

Caroline and Catherine have two younger sisters who also excelled academically and athletically at Page, Christin ('09) and Claire ('12), both who are now at College of Charleston. Christin is on the tennis team, and Claire graduated from Page a semester early to join the soccer team. These four sisters, children of Sally and Chris Newman, continue to make us all proud. We are reminded that excellence in academics and athletics often go hand in hand!

**Greensboro Tennis Coach Tom Herb has coached all of these outstanding young people.*

PAGE ATHLETIC FACILITIES

For years, the Page Athletic Booster Club has been a huge support for sports and student-athletes at Page. They've done fund-raising in order to take up the slack when school funds have been stretched to the limit, putting the money where it was most needed. But the reality was always there: the facilities were definitely sub-par.

So about seven years ago, they developed a design of what they thought Page *should* have. They wanted to "get it right" and not just keep applying Band-Aids. The Page Athletic Booster Club engineered and adopted a comprehensive Page Athletics Facilities Master Plan that had the practice, playing, concession, ticketing, dressing, and other types of facilities that a school the size of Page should have. They then started on the plan.

GCS cleared land and put up fencing. The ABC, Alumni and Friends, Page-Grimsley Golf Tournament, and community supporters gave close to \$100,000 (with about \$50,000 coming from the Alumni and Friends Association) for the first phase of the plan, which included the bathroom/ticketing/concessions building on the east side of the field.

Then a school bond was passed that included Page Athletics Facilities. So for the last year and a half, the following have been put into place, using the ABC master plan as a guide:

1. New floor in the Auxiliary gym
2. Lights at the Cone fields
3. Press box renovation
4. Main entrance renovation, including ticket booth
5. Visitor entrance renovation
6. Additional fencing at the Cone field
7. Softball scoreboard
8. Cone field scoreboard
9. New concession / restroom / locker room / baseball press box facility.

As a new scoreboard was not included in the bond, a new scoreboard was purchased by the ABC, with a little help from the PAFA, and installed in March. *Scoreboard space is being sold for sponsorship.** The lower level of the old press box, which is the former concessions stand, is being redesigned by parents to be a full-time *Page Pirate Spirit Wear Store*.

We look forward to seeing you around the Page campus! Come see all that's new!!!

FRIENDS OF THE PAGE AUDITORIUM

As you know, during the last quarter of 2011, Friends of the Page Auditorium raised \$10,000 to fund a study and formulate a plan to renovate that aging fifty-year-old structure we know as the Page Auditorium. This was the first step in what will eventually morph into a capital campaign to completely revamp the aging structure, bringing it through five decades and finally into the 21st century. The work on the comprehensive plan is complete and a report will be issued later this summer for public review.

Additionally, Page alum Nathan Duggins ('87) has agreed to compile the necessary papers and filings with the state for a new non-profit organization that will be known as "Friends of the Page Auditorium." While this will allow The Friends of the Page Auditorium to solicit funds and assure our donors their contributions will be tax-deductible, it will also allow us to function autonomously from the Page Alumni and Friends organization.

We owe a great deal of thanks to the Page Alumni and Friends Association for allowing us to raise the funds for the study through their organization, and we will continue to work closely with them as the project continues to move forward.

ZACK OSBORNE...THE HALL OF FAME

Former Page Soccer and Cross Country Coach, **Zack Osborne**, will be inducted into the Guilford County Sports Hall of Fame Monday, September 17, at the Greensboro Coliseum. He was inducted into the NC Soccer Hall of Fame in 2003.

Zack Osborne founded both the men's (1974) and women's (1980) soccer programs at Page High School. His men's teams won 410 games and four state championships ('77, '79, '80, and '91). The women's teams won three state championships ('86, '87, and '88) and were runners-up twice. Osborne coached more than 1,000 games and won more than 800 of them.

NEXT YEAR'S REUNIONS

Please contact me at sgtysinger@triad.rr.com if you know of any class reunions in the works for next fall. Technically, the class president normally initiates this, but it doesn't always work this way. Probable ones would be the classes of 1963, 1967, 1973, 1978, 1983, 1988, 1993, and 2003. But reunions can happen any time!

The event begins on September 17 at 5:30 with a social, followed by dinner at 6:30. Tickets are \$60 each, or a sponsoring table of ten is \$750. Contact information is dbradford@greensborosports.org or 336-378-4499. One interesting note is that Herk Degraw, former Grimsley soccer coach, will be inducted in the same class. While these two coaches and their players were longtime rivals on the field, there are many friendships that were made off the field!

We look forward to former players coming out to honor one of our own!

GET READY FOR THE 7TH ANNUAL PAGE/GRIMSLEY RIVALRY REUNION!!!

Since 2006, Page and Grimsley have faced off to renew the heated rivalry against some old but familiar faces. 288 Golfers square off each year, occupying both courses of Bryan Park on the weekend of the annual Page/Grimsley Football game. The top 75 scores from each school are totaled to determine the winner. Last year, Page won with the narrowest margin of victory, less than 1/3 of a stroke per counting score.

Each year the tournament raises around \$10,000 for each of the school's Boosters Club. The tournament also awards four student scholarships each year, two to each school. Thank you to all that have played or participated in the event in the past, and a special thank you to The Greensboro Grasshoppers and Neese's Sausage who are our Title and Scholarship Sponsors.

This year's event will be held September 28th at a cost of \$85 per person. Sign up individually, or form a foursome and sign up as a group. This year you can even choose your starting hole and course. To register, go to our new, easy-to-navigate web site at www.pagegrimsleygolf.com to see who's already signed up and select your choice of starting holes. Registration has started and, at this writing, Page has more entries than Grimsley. Come on out for a great day of fun! Let's keep the Traveling Trophy at Page!
